Guidance when making a claim

Claim Notification

Conditions that apply to the policy and in the event of a claim are set out in **your** policy booklet. It is important that **you** comply with all policy conditions and **you** should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required. Further guidance is contained in the policy booklet.

Claims conditions require **you** to provide **us** with any reasonable assistance and evidence that **we** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **you** will provide:

- **Your** name, address, and **your** home and mobile telephone numbers
- Personal details necessary to confirm **your** identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses

This information will enable **us** to make an initial evaluation on policy liability and claim value. **We** may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item **you** are claiming for is beyond repair

Sometimes **we** may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

Preferred Suppliers

We take pride in the claims service **we** offer to **our** customers. Our philosophy is, where possible, to repair or replace lost or damaged property or vehicles and **we** have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where **we** can offer repair or replacement through a preferred supplier but, on request, **we** agree to pay **our** customer a cash settlement, then payment will normally not exceed the amount **we** would have paid **our** preferred supplier.

Claim conditions

These are the conditions **you** will need to keep to as **your** part of the contract.

If anything happens which might lead to a claim, what **you** must do depends on what has happened. The sooner **you** tell **us**, the better. In some cases, there are other people **you** should contact first.

What to do

If someone is holding **you** responsible for an injury or damage, nobody must admit they were responsible. Tell **us** immediately upon discovery and give us full details in writing as soon as **you** can. If **you** receive any writ, summons or other legal document, send it to **us** straight away without answering it.

If **you** are a victim of theft, riot or vandalism, tell the police within 24 hours from discovering the loss or damage and ask for an incident number. Then tell **us** as soon as **you** can.

For any other claims, tell **us** as soon as possible.

Rights and responsibilities

We may need to get into a **building** that has been damaged to save anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not leave **your** property with **us**, as **our** responsibility.

You must not admit, settle, reject, negotiate or promise to pay any claim without **our** written permission. **We** will not unreasonably hold back **our** permission.

We have the right, at **our** expense and in **your** name to:

- take over the defence or settlement of any claim;
- start legal action in **your** name to get compensation from anyone else; or
- start legal action in **your** name to get back from anyone else any payments that have already been made.

You must provide **us**, at **your** own expense, with any information and assistance **we** may reasonably require about any claim. **You** must help **us** to take legal action against anyone or help **us** defend any legal action if **we** ask **you** to.

Other insurance

If **you** claim under this policy for something which is also covered by another insurance policy, **we** will only pay **our** share of the claim. **You** must give **us** full details of the other insurance policy.

Policy conditions

These are the conditions of the insurance **you** and **your family** will need to meet as **your** part of this contract. There are other conditions of insurance applicable to the Legal Expenses section on page 41. If **you** do not, a claim may be rejected or payment could be reduced. In some circumstances **your** policy might be invalid.

Taking care

You must take all reasonable steps to prevent loss or damage to everything which is covered by this insurance. **You** must keep all the property in good condition and in good repair.

Changes in your circumstances

When **you** arranged **your** insurance **you** told **us** certain material facts.

You must tell **us** straight away about any of the following.

- If there is a change in tenure from leasehold to rented and/or sublet.
- If more than 20% of the total number of flats are **unoccupied** for more than 45 days in a row.
- If the **building** is not in a good state of repair.

- Any change in the sum insured.

If **you** do not tell **us** about changes or give **us** incorrect information, the wrong terms may be quoted. **we** will be entitled to reject payment of a claim or a payment could be reduced.

Transferring your interest in the policy

You cannot transfer **your** interest in the policy to anyone else unless **you** get **our** written permission.

Cancelling the policy

You may cancel this policy by giving **us** 14 days' written notice as long as this does not break any long-term undertaking. If **you** cancel the policy, **we** will refund part of the premium for the rest of the current **insurance period**. **We** will only do this if **you** have not claimed during the **insurance period**.

We can cancel this policy by giving **you** at least 14 days notice at **your** last known address. This will not affect **your** right to make a claim for any event that happened before the cancellation date. If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **insurance period**.

Cancelling the monthly premium instalment agreement

Your policy has a normal insurance period of twelve months so **your** legal contract with us is for this period. **We** may have agreed to **you** paying **your** premium in monthly instalments.

If **you** miss a monthly premium, **we** will send **you** a notice asking **you** to pay the premium **you** have missed. If **you** do not pay the premiums **you** have missed by the date given in the notice, **we** will cancel all the cover under **your** policy.

If **you** want to cancel the agreement but not **your** policy, **you** must write to us at the address given on **your schedule**. We will then send **you** a reply telling **you** how much **you** will have to pay for the rest of the **insurance period**. If this amount is not paid by the date given in **our** reply to **you**, then **we** will cancel all cover under **your** policy.

If **you** want to cancel the monthly premium instalment agreement, **you** should also tell **your** bank, building society or Girobank to cancel **your** direct debit arrangement.

Fraud

If any claim is fraudulent, or if **you** or anyone acting for **you** is dishonest in claiming any benefit under **your** policy, **you** will lose all benefits under **your** policy.

Law Applicable

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland) both parties may choose the law which applies to this contract, to the extent permitted by those laws. Unless the parties agree otherwise in writing, **We** have agreed with **You** that the law which applies to this contract is the law which applies to the part of the United Kingdom in which **You** are based, or, if based in the Channel Islands or the Isle of Man, the law of whichever of those two places in which **You** are based. The parties have agreed that any legal proceedings between them in connection with this contract will only take place in the courts of the part of the United Kingdom in which **You** are based, or, if **You** are based in either the Channels Islands or the Isle of Man, the courts of whichever of those two places in which **You** are based.

Sanctions

We shall not provide coverage or be liable to provide any indemnity or payment or other benefit under this policy if and to the extent that doing so would breach any prohibition or restriction imposed by law or regulation

If any such prohibition or restriction takes effect during the policy period **you** or **us** may cancel that part of this policy which is prohibited or restricted with immediate effect by giving written notice to the other [at their last known registered address]

Legal expenses conditions

Pages 28 and 29 set out the policy conditions **you** will need to meet as **your** part of this contract. **You** must also keep to the conditions on this page and the following pages.

1. Preventing legal proceedings

You must take all reasonable measures to prevent or avoid being involved in **legal proceedings** and keep the costs as low as possible.

2. Arbitration

If there is a dispute between **you** and either **us** or the **insurer** about this section of the policy, it can be taken to an independent arbitrator. The arbitrator will be a mutually agreed solicitor or barrister. If **we** cannot agree with **you** or an arbitrator, the President of the Law Society (or similar organisation within the appropriate **territorial limits**) will choose an arbitrator.

The side that loses the arbitration will pay all the costs of the arbitration. If the decision is not totally on the favour of one side, the arbitrator will decide who pays the costs. If **you** lose, the policy will not cover those costs.

You can still use the complaints procedure shown on page 38.

Legal expenses section – Claims settlement conditions

These conditions apply when **you** make a **legal expenses** claim. **You** must keep to these conditions as **your** part of the **legal expenses** contract.

1. Telling us about the claim

If anything happens which might lead to a **legal expenses** claim, **you** must tell **us** as soon as possible in writing by filling in a claim form.

You must tell **us** fully and truthfully in writing all the details about **your** claim and give **us** all the information that **we** may require. Until **you** have told **us** about the claim and **we** have given **our** written agreement, the **insurer** will not be responsible for any **legal expenses**. The **insurer** will not cover **legal expenses** involved in **your representative** handling the claim before the date when **we** gave **our** written agreement. **You** must have told **us** about the claim within 6 months of the cause of action arising.

2. Giving our agreement

We will give **you our** agreement if all of the following apply.

- **We** think **you** have a reasonable chance of winning **your** case and achieving a reasonable outcome.
- The **legal proceedings** arise from an event or series of events which is covered by this insurance. The event or events must happen within the **territorial limits** and during the **insurance period**.
- The **legal proceedings** will be dealt with by a **court** within the **territorial limits**.
- **We** may require at **your** expense, the opinion of Counsel on the merits of **legal proceedings**. If the claim is subsequently admitted the cost of the opinion will be covered under the policy.

- **You** have kept to the terms and conditions of the policy and none of the exclusions in the general section of this policy apply to **your** claim.

If **we** do not accept **your** claim, we will tell **you** why.

If during the claim, **we** think that there is no longer a reasonable chance of **you** winning the case and achieving a reasonable outcome, **we** may not continue to support **your legal proceedings**.

If **we** do not carry on with **your** claim **we** will tell **you** why.

3. Choosing a representative

In the period before **we** can agree that **legal proceedings** are necessary, or in the circumstances set out in claims settlement condition 8 below, **we** may take on and conduct in **your** name, any negotiations on **your** behalf. **You** must agree to a settlement which is reasonable.

In respect of any and all claims where the **insurer** may be liable to pay an award of compensation, **we** have the right to choose the **representative**.

At the point where Court papers need to be issued (or have been received), or where there is a conflict of interest, **you** are free to choose a suitably qualified **representative**.

Where **you** have selected a **representative** of **your** choice then **we** will not pay costs which exceed the amount a legal representative which could be found by **us** would charge. Any amount in excess of this will be **your** responsibility.

In selecting the **representative you** shall have a duty to minimise the cost of **legal proceedings**.

We may choose not to accept a **representative** chosen by **you**. If this occurs **we** will explain why. If there is a disagreement over the choice of **representative** in these circumstances, **you** may choose another suitably qualified person and submit the name of that person to

us for consideration. If **we** cannot agree on a **representative** or whether **legal proceedings** are necessary **you** can take the matter to an independent arbitrator. The arbitration process is set out in Arbitration Condition 2 of this section of the policy.

In all circumstances except those described in 2. ii) above, **we** shall choose a representative to act on the **your** behalf.

If **your** choice of representative has to undertake work to familiarise themselves with the work already undertaken on the case, **we** will not pay for this work to be done.

If **we** and **you** cannot agree whether **legal proceedings** are necessary, **you** can take the matter to an independent arbitrator. This process is explained under Arbitration Condition 2 of this section of the policy.

4. Rights and responsibilities

You must tell **us** if an offer is made to settle the dispute.

You must not negotiate or agree to settle the dispute without having **our** agreement beforehand. If **you** do not accept a reasonable offer to settle the dispute, **we** may not continue to support **your** claim.

You must send **us** all bills for the **representative's legal expenses** as soon as **you** receive them. **You** must confirm to **us** that any charges **you** have to pay for the **representative** handling this dispute are acceptable and that **we** may pay the bill for **you**.

You and **your representative** must take every step to recover **legal expenses**. **You** must pay any recovered **legal expenses** to **your representative** who must then refund any **legal expenses** which the **insurer** has paid or is due to pay.

If the **insurer** pays **legal expenses** up to the policy limit and **you** pay more **legal expenses** to end **your** case, the **insurer** and **you** will share any **legal expenses** that are recovered. The **insurer** and **you** will each receive the same percentage as was paid.

5. Information your representative will need from you

You must give **your representative** all the information and help he or she may need, including a truthful account of the facts of **your** case and any paperwork to do with **your** case.

6. What you and your representative must do for us

We must be able to contact **your representative**. **You** and **your representative** must co-operate and tell **us** about developments to do with **your** case. If **we** ask for this, **we** must be able to have access to **your representative's** files, including the truthful account of the facts of **your** case and any paperwork **you** have supplied to **your representative**.

If **your representative** wants to consult a barrister or expert witness, **we** will agree if **we** think it is reasonable. **You** must give us the name of the barrister or expert witness, and the reasons why **you** need one.

If **you** make any request for payment under this policy knowing it to be fraudulent or false in any respect (or in circumstances where it ought reasonably to be known) or where there is collusion between the parties to this dispute, this policy shall be voidable at the discretion of the **insurer** and any premium paid shall be forfeited.

7. Appealing against a court's decision

If **you** want to appeal against a court's decision, **we** will give **you our** agreement if all of the following apply:

- **You** must tell **us** that **you** wish to appeal immediately the right of appeal arises, as strict time limits may apply.
- The appeal arises from **legal proceedings** to which **we** have already given **our** agreement under the terms of claims settlement condition 2 above.

- **You** appeal complies with the requirements of claims settlement condition 2 in the same way as the initial claim for **legal expenses**.
- **We** think **you** have a reasonable chance of winning the appeal and achieving a reasonable outcome.
- **You** must give **us your** reasons for bringing the appeal.
- **We** must agree to support the appeal.

8. What action we may take

We may take over in **your** name all **legal proceedings** in any of the following circumstances.

- If the dispute is for an amount which could be dealt with by the Small Claims Court.
- If **you** take **legal proceedings** against someone or defend a case without **our** agreement, or in a different way from that advised by **your representative**.
- If **you** do not give proper instructions to **your representative** in time.
- If **you** cause a delay and **your representative** thinks it will harm **your** case.

In these circumstances, **we** may carry out our own investigation and try to settle **your** dispute. **You** must agree to a settlement which is reasonable.

If **we** ask, **you** must tell **your representative** to get the court to tax **your legal expenses**, or get the Law Society to certify them according to the Solicitors Act 1974 or the Solicitors Remuneration Order 1972.
