## Thank you for choosing Ecclesiastical

We specialise in insurance for property owners and investors, charities, educational establishments, heritage properties, care establishments, churches and home insurance, alongside a range of other insurance and financial services products.

### Policy information

The policy is divided into a number of sections. Your schedule will show which sections are in force and for how much you are insured.

Please read the policy and schedule carefully. If you have any queries or wish to change your cover, contact us immediately.

Please also retain all other schedules so you may check what cover applied on any specific date should you need to do so.

If your needs change, please tell us.

We are responsible for paying any claims under this section but DAS manage all claim matters and correspondence on our behalf.

If you wish to speak to DAS about a legal problem or make a claim, please phone:

**0345 268 9124**

DAS will ask you about your legal issue and if necessary call you back to deal with your query.

The legal advisers will help you to understand what your legal rights are, what course of action can be taken and whether the issue could be covered under this policy. It is important that you call the legal advice service as soon as possible, as it may improve your chances of a successful outcome, or mitigate matters from progressing further.

The online information and tools are also useful in helping you to resolve your legal issue.

### Reporting a claim

Please do not ask for help from a lawyer, accountant or anyone else before DAS have agreed that you should do so. If you do, we will not pay the costs involved even if DAS accept the claim.

To report your claim, use the online tool at [www.dasinsurance.co.uk](http://www.dasinsurance.co.uk) or call DAS on **0345 268 9124**, available 24 hours a day, 7 days a week. Have your reference number TS5/6764925 ready and DAS will ask you about your claim.

This may include directing you to the legal advice helpline or online tools (if you have not already used them for your legal issue), submitting the claim under a different section of your policy, or perhaps registering a complaint with the person you want to claim against. If it is best to deal with the matter

as a legal claim, DAS will send it to a lawyer who specialises in your type of claim.

The lawyer will assess your case and tell you how likely it is you will win. If you are more likely than not to win, the lawyer will manage the case from start to finish.

Determining your likelihood of winning is important, in order to ensure that the court does not consider your claim to be a waste of resources and to safeguard you against having to pay damages to the other side as a result of pursuing a claim that you are likely to lose.
